

# Product Safety Act (ProdS G)

## European Representatives Recognition

Reference number: **JX131520230DX3588**

The manufacturer, his authorized representative and the importer each have in the course of their business activities making a consumer product available on the market.

1. To ensure that the consumer receives the information he needs in order to be able to assess and protect himself against the risks associated with consuming product during the normal or reasonably foreseeable period of use and which are not immediately recognizable without appropriate information.
2. The name and contact details of the manufacturer or, if this is not based in the European Economic Area, the name and contact address of the authorized representative or the importer.
3. Attach clear labels to identify the consumer product.
